## SHAFRAAZ KABA, MRAIC, AAA, LEED® ACCREDITED PROFESSIONAL PARTNER

---

### QUALIFICATIONS

Shafraaz is a registered architect and partner with Manasc Isaac Architects. His firm is a leader in cold-climate sustainable design in Canada and they have been recognized with numerous architectural awards, including a Governor General's Award in Architecture. Manasc Isaac is well known for its commitment to sustainable strategies and integrated, community-based design. Shafraaz has been the project architect on several LEED® Certified projects. He is also a founding Member of the Media, Art and Design Exposed (M.A.D.E.) in Edmonton Society which creates public programs that bring design, art and architecture to the public. Shafraaz is Vice-Chair of the Edmonton Design Committee, a project review panel for downtown Edmonton. In the wee hours, he finds time to write a weekly design column for the Edmonton Journal, and has been a regular contributor to Canadian Architect, AZURE, Canadian Interiors and Avenue magazines.
